Event Organizer:

WELCOME MESSAGE

Dear Colleagues and Friends,

It is our great pleasure to invite you to “**The 8th Biennial Congress of The Asian Neurogastroenterology and Motility Association (ANMA) in conjunction with Indonesian Digestive Disease Week (IDDW) 2025**” which will be held on **Thursday – Saturday, 04 – 06 September 2025**.

This scientific meeting is organized by the **Indonesian Society of Gastroenterology (ISG) and Asian Neurogastroenterology and Motility Association (ANMA)**.

On the first day, the event will feature a **Motility Workshop**, followed by the **ANMA & IDDW 2025 Symposium**. Throughout the program, participants will benefit from a series of engaging scientific sessions, including discussions on the latest Asian consensus updates in gastrointestinal (GI) diseases.

Through the scientific programs presented in various sessions, this event will highlight important issues currently affecting our practice and our specialties, delivered by more than 50 invited distinguished international and national faculties, portraying the most updated issues, current advances, and controversies in the field of gastroenterology.

Also to pharmaceutical and medical equipment companies do not miss these valuable opportunities to display, demonstrate, and promote your products and ideas to over 1,000 participants.

Finally, on behalf of the organizing committee, we would like to meet you offline at the upcoming The 8th Biennial Congress of the Asian Neurogastroenterology and Motility Association (ANMA) & Indonesian Digestive Disease Week (IDDW) 2025.

Sincerely,

**Prof. Ari Fahrial Syam, MD, PhD,

ABSTRACTS SUBMISSION GUIDELINES

We sincerely thank you for your interest and effort to submit your abstract to the IDDW-ANMA 2025 Congress. Your contribution is highly valued and plays a vital role in enriching the scientific program of this prestigious event.

Participants of Poster Session can submit more than 1 (one) abstract. The Scientific Committee will only accept the original scientific material which has not been presented/published before, therefore, abstracts which have already been published/presented at regional or national scientific event / congress would not be accepted and will be excluded.

All abstracts must be submitted by **July 31, 2025**, via the congress website.

Review Process:

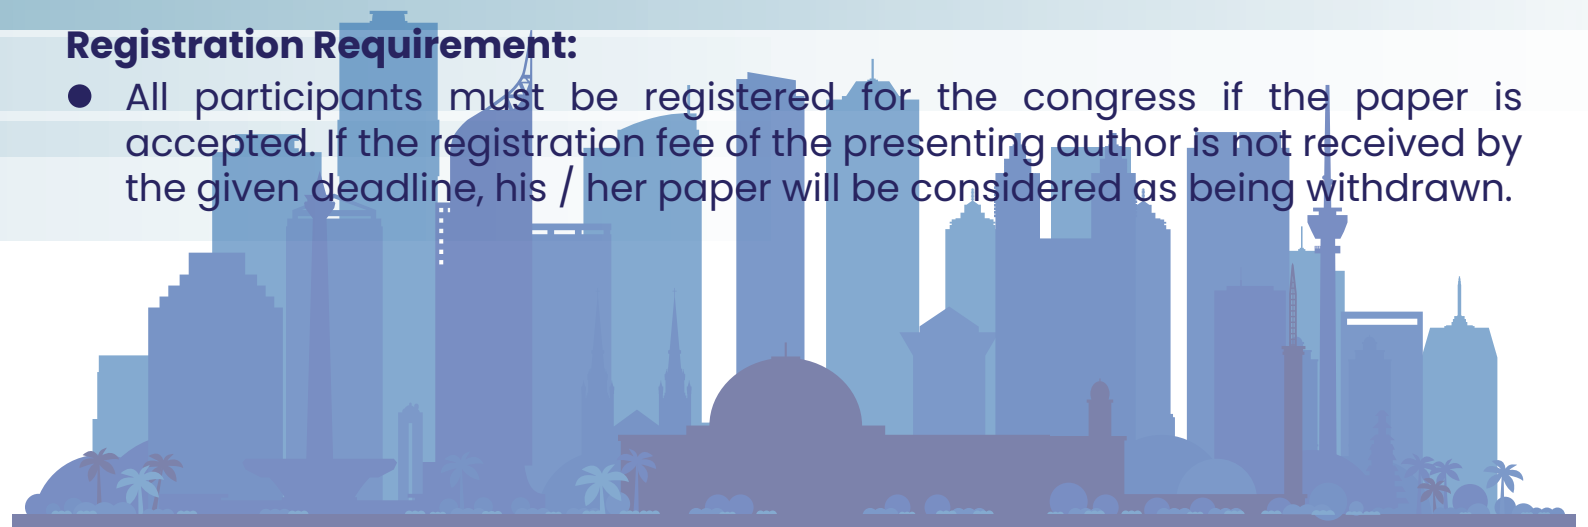

- All submitted abstracts will be reviewed by the Scientific Program Committee of the IDDW-ANMA 2025.
- The results of the review process will be communicated via email. The final decision on presentation type (oral or poster) will be made by the Scientific Committee.

Confirmation of Submission:

- An automatic confirmation of receipt will be sent to the submitter, presenting author, and corresponding author upon submission.
- Please ensure that correct contact details are provided to receive important information.

Registration Requirement:

- All participants must be registered for the congress if the paper is accepted. If the registration fee of the presenting author is not received by the given deadline, his / her paper will be considered as being withdrawn.

GUIDELINES FOR ABSTRACT PREPARATION:

1. Language:

- Abstracts must be submitted in English.

2. Word Limit:

- The abstract text should not exceed 300 words.

3. Content:

- The abstract should be as informative as possible, covering key details of the research or case report.
- A title that clearly indicates the nature of the investigation needs to be provided, with maximal of 15 words.

For Research:

- The background, objectives, methods, results, and conclusions of the research must be included.

For Case Reports:

- The abstract must include an introduction, case report details, and a discussion.

4. Presentation Types:

- Abstracts will be considered for either oral presentations or poster exhibitions.
